RULES FOR SAILING AT COUNTY HALL - 2021

These rules have been set by the County Hall site Management. It is therefore essential that we follow them when sailing at County Hall:

1. **Display your car sticker** when arriving at the barrier, and **wear your membership badge** when on-site.
2. Do not obstruct any of the access roads or block in any official parked vehicles.
3. Do not park on the hatched area near the pools. Unloading is allowed, but please move off immediately after unloading. Parking on the double yellow lines is acceptable.
4. Parking on the unhatched areas near the pool is reserved for members with mobility problems.
5. Do not block the public right of way alongside the pool.
